“HIRING MADE SIMPLE”

Learn how employing people with
intellectual and developmental
disabilities can improve your bottom line!

Dear Employer:

Thank you for taking the time to learn about The Arc Eastern Connecticut's Employment Programs. Your commitment to people with intellectual and developmental disabilities in your community makes putting people to work possible.

The Arc ECT's Job Development component makes the process of hiring people with intellectual and developmental disabilities easy and seamless. This packet contains information about available benefits and tax incentives as well as an overview of our employee participants, their training, and the support you'll receive from our staff and administration.

Documents enclosed:

- The Arc ECT agency brochure and current newsletter
- Our Employment Brochure for Employers
- Fields of Employment at The Arc Eastern Connecticut
- STEP UP (Subsidized Training and Employment Program) fact sheet
- Hiring at-a-Glance
- A list of Federal and State Tax Incentives for hiring people with disabilities

Please contact us or our Job Development team (contact information in your packet) to discuss the positive ways in which hiring someone with IDD can affect your business, and your future.
