The Arc Eastern Connecticut Receives Donation from EB Employees' Association

The Electric Boat Employees' Community Services Association has generously awarded \$1,995 to The Arc Eastern Connecticut for a "SmartBoard" white board for use at both its Norwich and Danielson locations. This interactive training tool will allow Board Members, managers and new employees to participate fully in strategic planning exercises, intensive pre-employment training, and information sharing as the agency continues to address the challenges presented by the pandemic that affect critical supports for people with intellectual and developmental disabilities in eastern Connecticut.

To learn more about The Arc Eastern Connecticut and its programs throughout the region, and for weekly agency updates and resources during the COVID-19 pandemic, please visit TheArcECT.org or contact Denise Tift at (860) 889-4435, ext. 116.
