### **Ledyard Rotary Supports The Arc Eastern Connecticut**

The Ledyard Rotary Foundation awarded The Arc Eastern Connecticut a \$500 grant to offset costs of maintaining its garden on Rt 117 in Ledyard during the closures mandated due to the COVID-19 pandemic. The staff and residents of the home where the garden is located have been helping till the garden, amending the soil, and producing a variety of vegetables for 93 people with intellectual and developmental disabilities who live in The Arc ECT's 22 supported residences around eastern Connecticut. The Rotary Foundation's grant will help the team working there to improve and maintain the garden so that The Arc ECT will have a bountiful season.
