Dime Bank Assists The Arc Eastern Connecticut

The Dime Bank Foundation awarded The Arc Eastern Connecticut a \$1,387 grant to assist people with limited mobility at its day program in Norwich. The grant, in combination with other funds raised, will cover the costs of a hydraulic lift and sling to help people with intellectual and developmental disabilities, many of whom are medically fragile, move from place to place comfortably. The equipment is also extremely effective in preventing staff injuries caused by manually lifting people.
